

Spirit

WINNEBAGO

Why Spirit?

- Five versatile floorplans offer flexible sleeping spaces
- Large rear trunk
- LED interior lights
- Optional heated electric drainage system
- Optional upgrade packages
- Primera fabric on sofa and dinette
- Available front cap upgrade
- Stylish vinyl ceiling

On the Cover: 31K Tuscan Gold Standard Graphics with Available Front Cap

31G Rockslide with Coffee-Glazed Vienna Maple Cabinetry

Built for Your Way of Life

Everyone likes to talk about value, but few Class C motorhomes embody it quite like the Spirit®. No matter how you like to travel, there is a Spirit built to Winnebago's® legendary quality standards at an affordable price that is just right for you. Standard features such as LED lights and a vinyl ceiling can be accompanied by more refined

features in the available Convenience and Premium Packages. Six versatile floorplans, including the all-new 31G, let you select a flexible sleeping configuration to meet your needs. For the best value in Class C motorhomes, look to the Spirit from the best manufacturer: Winnebago Industries.

Recognized Quality

The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service and support. Winnebago Industries is proud to be the only manufacturer that has received this award every year since its inception.

316 Rockslide with Coffee-Glazed Vienna Maple Cabinetry

Each of the five Spirit floorplans is thoughtfully planned to create a relaxing atmosphere in a multifunctional space. This includes the use of U-shaped dinettes, traditional dinettes, and sofa/beds that all convert into comfortable sleeping spaces. Standard features such as a vinyl ceiling, an HDTV with DVD player, and LED lighting can be enhanced with the optional Convenience and Premium Packages that add dozens of additional creature comforts.

316 Sofa

316 Sofa as Bed

31G Overhead Bunk

31G Dinette

31G Dinette as Bed

31G HDTV

Pleated Night Shades

31G Galley

31G Pantry

31G Refrigerator/Freezer

Traveling the country doesn't mean you can't have a home-cooked meal. The Spirit delivers the essentials, such as a three-burner range, microwave oven, and two-door refrigerator/freezer. It can be upgraded with an oven and microwave/convection oven (26A, 27Q, 31K, 31G) for more adventurous meals. Select the Premium Package for a stainless steel undermount sink, single-control faucet, sink covers, and a countertop and backsplash upgrade.

31G Available Microwave/Convection Oven

31G Full-Extension Sliding Drawers

31G 3-Burner Range with Oven

You'll find plenty of places to rest your head, from the corner bed in the 22R and 25B to the walk-around queen bed in the 26A, 27Q, 31G and 31K. Large wardrobes come standard and a 24" bedroom HDTV can be added to any floorplan. Bunk beds in the 31G are a game-changer for traveling families.

Dash

Powered by a 305-hp Triton® engine with TorqueShift™ 6-speed transmission, the Spirit's automotive handling is a welcome experience for new and experienced motorhome drivers alike. Customize your travels with available cab upgrades such as swivel cab seat pedestals (26A, 27Q, 31K), seat booster cushions (27Q, 31K) and a Radio/Rearview Monitor System DVD receiver with 6.2" LCD color touch screen, handheld remote, iPod®/MP3 input, rear color camera, Bluetooth®, SiriusXM®-ready, Spotify®, and AppRadio One (requires Convenience Package)

Radio with Available SiriusXM®

31G Powered Patio Awning

A premium high-gloss skin keeps your Spirit looking sharp, even after years of travel through a variety of climates. Those long trips require extra gear, which makes the standard rear trunk an invaluable feature in this Class C coach. At the campsite, the available awning with LED lighting quickly extends to create a welcoming patio area. The 31G takes things even further with an optional tailgate package that includes a TV, stereo, wash station and refrigerator, along with the standard 4,000-watt Cummins® Onan generator.

Available Stainless Steel Wheel Liners

Manual Mirror with Pivoting arm

Exterior Rear Storage

Exterior Storage

Running Board

31G Entrance Door

Fiberglass Roof
The one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Rubber Can't Cut It
Rubber roofs used by competitors can streak and degrade over time.

Thermo-Panel® Sidewalls
By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable, and lightweight sidewalls.

E-Coating An electrodeposition coating helps protect critical steel components.

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

Solid Framework Structural extruded aluminum creates an extremely strong and solid frame.

Laser-Cut Tubing
Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

Interlocking Joints Specially engineered interlocking joints connect the floor, sidewalls, and roof where competitors often rely on simple screws to bear the weight.

**SUPER
STRUCTURE**

BUILT TO LAST

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago's® legendary SuperStructure® construction design. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

TESTING Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS At Winnebago, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE We process and finish key aluminum parts. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

**SUPER
STRUCTURE**
BUILT TO LAST

- 12-month/15,000-mile basic limited warranty⁶
- 36-month/36,000-mile limited warranty on structure³
- 10-year limited parts-and-labor warranty on fiberglass roof⁵

FOOTNOTES

1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please check with your dealer for further information.
2. Floorplans feature a wide-body design - over 96" in making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
3. The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
4. Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
5. Capacities shown are tank manufacturer's listed water capacity (WC). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
6. Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
7. See separate chassis warranty.
8. See your dealer for complete warranty information.

NA: Not Available

Not all items available in combination. See dealer for details.

Winnebago's continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
